

Option A: Four Runners/Wall Hangings

Option B1: Throw Quilt

materials for Greenhouse Garden Option A: Four Runners/Wall Hangings **OR** Option B1: Throw Quilt

Materials listed below make Blocks 1-12 for:

4 Runners each measuring 12½" x 57½" **OR** Throw Quilt measuring 48½" x 57½"

Yardage is based on 42" width of fabric.

See pages 19–24 for a list of what fabrics I used and recommend in the Greenhouse Garden quilts above.

QUILT TOP FABRIC REQUIREMENTS

Fabric requirements below are based on pre-cutting all fabric with dimensions supplied in the individual pattern cutting charts. Each block will list requirements for each type of fabric — these amounts will account for a bit extra in case of a minor cutting mistake and are rounded up to a common yardage cut. **The overall fabric requirements listed below are less than will be listed in the fabric requirements for individuals blocks when added up. The cumulative fabric requirements below assume that there will be some fabric leftover after piecing each block. You are also likely to have scraps that can be used in subsequent blocks. Depending on your paper piecing skills and piecing style, you may use more or less fabric.**

Collect all of your fabric ahead of time, gather fabric as you make blocks, or use what you have and make it scrappy!

Option C: Twin Size

Option D: Queen Size

Option A: Four Runners/Wall Hangings
Option B1: Throw Size

These fabric recommendations work for all of the quilt size options. Use the fabric selections and/or color placements that I used or select your own beautiful fabrics and colors.

Chalk and Charcoal Fabric

Fabric A (pot)	Heliotrope
Fabric B (pot)	Marigold
Fabric C (pot)	Persimmon
Fabric D (pot)	Nectarine
Fabric E (pot/flowers)	Poppy
Fabric F (foliage)	Chartruse
Fabric G (foliage)	Zucchini
Fabric H (foliage)	Grasshopper
Fabric I (foliage)	Jungle
Fabric J (foliage)	Bluegrass
Fabric K (foliage)	Olive
Background	Vintage White*
Mullions/Sashing and Borders**	Walnut** OR Tornado**

* Since this fabric has a subtle print, it may be challenging to see the difference between the print (front) side and back side of the fabric. A solid color, like Kona Snow is a great substitute.

** needed only for Option B1 Throw Quilt, Twin Quilt, and Queen Quilt.
